Refreshments and snacks will be provided.

In addition to an address by Jill Stein, we will hear from a range of speakers on issues of importance to Virginia, including the Atlantic Coast Pipeline, and from former Virginia Green candidates for local, state, and national office about their experiences and about how to run a successful campaign.

MOST IMPORTANTLY: This is an excellent opportunity to meet fellow Greens, become acquainted with our work and goals, and learn how you can contribute to a more just and sustainable future.
