SPONSOR: Green Party of Virginia

CONTACT: Audrey Clement, 571-830-8889, aclement65@hotmail.com

SUBJECT: GPUS Mission Statement

EXPECTED APPROVAL THRESHOLD: Two Thirds Vote

BACKGROUND AND PURPOSE:

Insofar as a mission statement is critical to accomplishing an organization's purpose and insofar as GPUS currently lacks a mission statement, GPVA proposes to amend GPUS Bylaws as follows:

PROPOSAL:

Replace Article I of the Bylaws, which reads:

[ARTICLE I. PURPOSE

1. Assist in the development of State Green Parties
2. Create a legally structured national Green Party Federation]

With the following language:

ARTICLE I. ORGANIZATION

1-1. Structure.

The Green Party of the United States (GPUS) is a legally structured national Green Party federation of state Green parties.

1-2. Mission.

1-2.1 The purpose of the Green Party of the United States is to transform government at all levels by electing Green Party candidates to office and engaging in other electoral and advocacy efforts, consistent with the Party's Four Pillars of ecological wisdom, social justice, grassroots democracy and non-violence.

1-2.2 To further its mission, GPUS nominates Presidential and Vice-Presidential candidates and approves a Party Platform. Through the operation of a National Committee, GPUS provides ongoing support to state Green parties.

VII. Misuse of GPVA Logo by Independent Greens of Virginia

Tamar mentioned that GPUS Secretary Holly Hart had brought to her attention the fact that a photo of Carey Campbell, leader of the Independent Greens of Virginia, appears on a Facebook page identified as the site of the Green Party of Virginia. She also mentioned that Campbell is campaigning to nominate Michael Bloomberg as the Independence Party's 2012 presidential candidate. Since neither Campbell nor Bloomberg espouse the values of GPUS or GPVA, it was agreed to contact Carey Campbell regarding the Facebook page and direct the press secretary to issue a press release urging

NYGP to disavow Bloomberg.
